

Barbara Devil (21)

A cock like a
rocket up my butt! I am Barbara Devil, 21, and my name says it all. I am what you would call a college slut. Which I don't think is a bad thing, I really know my way around a cock because I was taught. I enjoy getting banged in every hole - I am definitely not as innocent as I look! So when I saw Romeo Rod's massive cock I instantly knew this would be a great anal experience. And damn was I right, he banged my little asshole until I screamed for mercy. It was heaven to feel his man meat like a rocket up my butt. When he was ready to come he grabbed my hair and forced his big cock down my throat. I managed to swallow most of his hot cum, although he sprayed some of it all over my face! Witness my hot sex adventure in the BUNNYSCOUT.COM premium site!
