

## Valentina (18)

### The first time

I came on cam I call myself "Ext@sy" and that is for a reason as you will be able to tell when you have seen me on video. My real name is Valentina and I am just 18 years old. This was my first time doing anything adult related, but I wasn't nervous at all about taking my clothes off and showing my perky tits, matching my thin and slender body. Then I made myself comfortable on the bed, got totally naked and started rubbing my pussy. I was eager to test out my first dildo as I have never had any experience in this department. But I quickly got into it as I placed it on my clit and the vibrations made my eyes roll back with pleasure. The thought of you watching me cum on BUNNYSCOUT.COM premium site really gets me off! So don't let me down, honey, see you there ;)
