

Maja Gold (19)

Yes, I took it
ass to mouth! Hi there, my name is Maja Gold, and I am a 19 year old, fresh faced, bright eyed babe with lots of talents! One of them being my magnificent cock sucking skills! I know just how to suck and bob on that big meat that is fed to me like BUNNYSCOUT's Romeo Rod did when he invited me down. And her other fine talent I have is how to ride cock in my ass! I got my ass poked and stretched open wide by BUNNYSCOUT's thick fuck stick until he finally was ready to cum. I didn't want to miss a drop so I took his big cock directly from ass to mouth! Boy, I never looked as good as I ever did with his huge cumshot all over my face! So watch me getting plastered in BUNNYSCOUT.COM premium site!
